Friday 14th February 2025

Dear Families,

As we approach February half term, I want to thank you all for your continued support throughout this busy half term. It's hard to believe we are already halfway through the academic year! A huge thank you to everyone who participated in Number Day and to those parents who attended the maths parent briefing. As you know, developing maths is a key focus area for Port Isaac Academy, and your engagement as parents is vital in supporting this goal. Our "Dress Up for Digits" day was a resounding success! The children loved taking part in fun and engaging maths activities. Thank you to everyone who helped make this day special and for your creative costumes!

Parent Survey: Wraparound Care and Extracurricular Activities– [CLICK HERE TO COMPLETE THE SURVEY](#)

Your feedback is important to us! We are currently reviewing our wraparound care and extracurricular offerings to ensure they meet the needs of our families while remaining financially viable. We've noticed that these services are accessed by a limited number of children. To ensure we are supporting our families in the best way possible, we're conducting a review in partnership with the Cornwall County Early Adopter team to align with the government's proposed funded breakfast club initiative.

Your thoughts will help us decide:

- The timing and activities offered in wraparound care.
- The format and scheduling of extracurricular clubs.
- How to balance family needs with staff workload.

Please take a few moments to complete the parent survey. Your input will guide us in shaping our provision. Thank you!

Welcome Back, Mrs. Stevenson!

We are delighted to welcome Mrs. Stevenson back from her maternity leave. It's wonderful to have her return to the team.

Wishing you all an enjoyable and restful February half term. We look forward to seeing you back at school on Monday, 24th February.
