Number Day at Port Isaac Academy Monday 10th February – Dress Up for Digits

We are excited to take part in an annual Number Day on Monday 10th February. Number Day is a great way to make maths fun and bring about a positive 'can-do' attitude towards it.

Pupils at Port Isaac, from Nursery to Year 6, will be taking part in a Maths-themed day; including problem solving challenges, TTRS competitions and maths story books.

We will also be taking part in Dress up for Digits. All pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme – you can get lots of ideas online!

(if we want the parent chat): Parents/carers are invited to a maths meeting at 2.50 to find out how we teach maths, how to support at home and how we need to work in a partnership to help make our children marvellous mathematicians.

Children's Mental Health Week at Port Isaac Academy

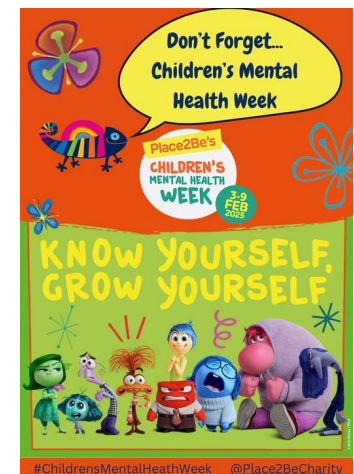

Next week, we will be taking part in Children's Mental Health Week, focusing on the theme "Know Yourself, Grow Yourself."

Every day, all our children will participate in a 10-minute wellbeing activity, helping them explore ways to understand themselves better and develop positive habits for emotional growth.

Through mindfulness, reflection, and creative exercises, we aim to support our pupils in building confidence, resilience, and self-awareness.

We look forward to a week of meaningful activities that nurture both mind and heart!
