

Dear Parents/Carers,

### Jan

It is with regret that we have to announce that Janice Pascoe has decided to resign from her role to pursue other interests. We would like to record our thanks to Janice for her contribution to the school over the years and I am sure you will all join me in wishing her every success for the future.

I understand that many of you may have questions and concerns about the implications of Jan's absence on the staffing of our school. Please rest assured that we are actively working with the Trust to address these matters. While we navigate this transition period, we will continue to receive support from the Trust to ensure the smooth running of our school operations.

As soon as I have any further updates or information to share regarding staffing arrangements, I will communicate them promptly with you all. In the meantime, if you have any questions or would like to discuss this further, please do not hesitate to contact me. Your understanding, patience, and support during this time are greatly appreciated.

Emma Williams

Headteacher

It has been another action-packed fortnight here at Port Isaac CP School, and we're excited to share some highlights with you all!

**Cross Country Success!** Last Monday, our incredible Cross Country team proudly represented our school at the final race of the season. We are thrilled to announce that five of our talented students have qualified to represent our school at the upcoming county finals in Newquay. We couldn't be prouder of our team's hard work and dedication. Their achievements truly showcase the spirit of Port Isaac CP School. Let's all rally behind them as they prepare to compete on Monday!

**Exploring History at Bodmin Keep:** Dolphin Class embarked on an educational journey to Bodmin Keep, where they immersed themselves in the history of World War II. It was a chance for our students to deepen their understanding of this significant period in time, and they returned with newfound knowledge and insights.

**Farm and Country Day at the Royal Cornwall Showground:** Puffin Class had a fantastic time at the Farm and Country Day, surrounded by the sights and sounds of farm life, our students embraced the opportunity to learn about the agricultural world, gaining valuable insights into the farming lifestyle.

**Meeting the RNLI Volunteers:** Seals and Nippers rounded off their topic on "People Who Help Us" with an inspiring trip to the beach to meet the dedicated volunteers of the RNLI. It was a wonderful opportunity for our students to express their gratitude and appreciation for the invaluable work done by these brave individuals.

We are immensely proud of all our students for their enthusiasm and engagement during these outings. Such experiences not only enrich their learning but also foster a deeper connection with the world around them.

**Open Afternoon Invitation:** Join us for our Open Afternoon on Thursday 28th, from 2:30pm to 3:30pm. This special event offers an opportunity to witness firsthand the incredible learning journey of our children this term. We look forward to showcasing their achievements and celebrating their progress with you.

**Easter Plans by Friends of School:** Our dedicated Friends of School group has been hard at work planning some egg-citing Easter activities for the children. As we bid farewell to the term, we're gearing up for a cracking good time filled with fun and laughter. Stay tuned for more details on the egg-cellent festivities!

We look forward to seeing you at our Open Afternoon and sharing in the joy of learning and community spirit.

Congratulations to our certificate winners on...

.....Friday 22nd March

Seal Class	Star of the Week	Amber
