3. Summary of the main barriers to future attainment faced by eligible pupils in the school

Pupil premium children are not achieving age related expectations in reading, writing and mathematics at the same rate as their peers nationally

Social and emotional issues resulting in some children not being ready to learn on arrival at school and then throughout their time in school

Low levels of academic resilience, aspiration and perseverance for some children

After school clubs were suspended (following DfE guidance in March 2020 when schools closed nationally. Prior to that, PPG children attended, but did not pay for after school clubs. Clubs restarted in Summer 2 2021 with children eligible for PPG attending. A contribution towards kit and expenses for residential was planned, but the trip did not take place.</p> |
| <p>The pandemic has brought about increased numbers of children eligible for the PPG, but this will not be funded until the next financial year. We now have recovery funding and the children that benefit from that are also included in this plan. Many of our children eligible for the PPG had little support at the start of the pandemic. This was addressed with additional support from school staff (remotely and in person).</p> | | | | |
